TOTAL \$330,574

The proposed additional rate of levy in cents per
\$100 of assessed value on each class of property
within Barbour County School District for the fiscal

may be used either in substitution for, or in addition
to, the sums obtained from such additional levies as
The Board of Education of the County of Barbour
may from time to time determine.

The Board of Education of the County of Barbour
reserves unto itself as the levying body the right and
authority to reduce the rates of the excess levy
should increased assessments produce funds
beyond projected needs in any year specified in the
levy call in accordance with Section 6(g), Article 8,
Chapter 11 of the Code.

For each fiscal year beginning on and after July 1,
2019, The Board of Education of the County of
Barbour shall reduce the levy rates proportionately
for all classes of property when increased assessed
valuations, excluding appraisal or valuation due to

the total projected property tax revenues from the
previous year's projected property tax revenues.

In that event the levy rate shall be reduced so as to
cause such rate to produce no more than one
hundred and four percent from all classes of
