The proposed additional rate of levy in cents per \$100 of assessed value on each class of property within Barbour County School District for the fiscal years beginning July 1, 2019, July 1, 2020, and July 1, 2021, is as follows:

Class II	Zero dollars and 2.96 cents
Class III	Zero dollars and 5.92 cents
Class IV	Zero dollars and 5.92 cents

In the event The Board of Education of the County of Barbour shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The Board of Education of the County of Barbour may from time to time determine.

The Board of Education of the County of Barbour reserves unto itself as the levying body the right and authority to reduce the rates of the excess levy should increased assessments produce funds beyond projected needs in any year specified in the levy call in accordance with Section 6(g), Article 8, Chapter 11 of the Code.

For each fiscal year beginning on and after July 1, 2019, The Board of Education of the County of Barbour shall reduce the levy rates proportionately for all classes of property when increased assessed valuations, excluding appraisal or valuation due to new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, would cause an increase of more than four percent in the total projected property tax revenues from the previous year's projected property tax revenues.

In that event the levy rate shall be reduced so as to cause such rate to produce no more than one hundred and four percent from all classes of property, excluding appraisal or valuation from new construction or improvements to existing real property, including beginning recovery of natural resources and newly acquired personal property, of the previous year's projected property tax revenues from all property.
